## Awards ceremony

The awards ceremony will take place together with Dzintaru O-Cup on 28 March at approximately 15:00.

In the Elite O, Elite P, and Junior class, the top three competitors in the overall standings will receive awards, provided there are at least three participants in each class. If a class has fewer than three participants, only the competitor with the best result will be awarded.

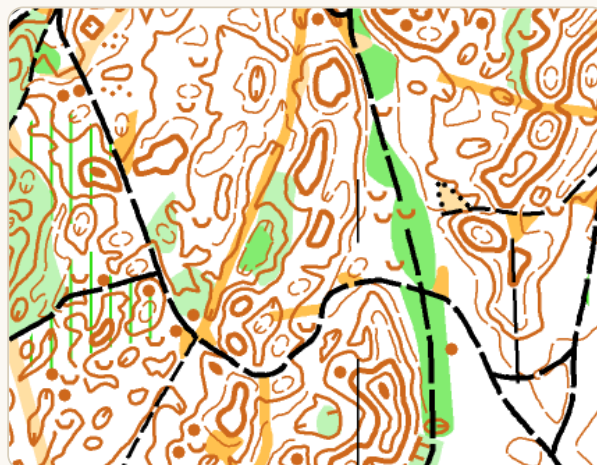

In the A class, prizes will be selected at random among all participants in the A class.

06

## Competition terrain

The competitions will take place in dune terrain featuring both large and small landforms. This type of terrain requires good map-reading skills and the ability to interpret subtle differences in the terrain accurately.

The area consists mainly of pine forest with good visibility, although dry, overgrown marshes can also be found in some places. Competitors will travel along forest roads, with slightly sandy surfaces expected on certain sections.
